DINNER: 6:30 PM

MONROE STREET AT THE LAKEFRONT

The elegant and easily accessible Chicago Yacht Club will once again be the site of the Nordic Law Club's annual Probate Night Dinner, through the kind invitation of Chicago Yacht Club member George Pecherek, Esq. As we have for over 85 years, we honor the dedicated judges of the Probate Division. The evening will feature remarks by the Honorable Mary Ellen Coghlan, Presiding Judge of the Division.

A wonderful evening is planned, including the traditional gourmet dinner buffet. We will renew old friendships, make new ones, and actively maintain the good communications that exist between the bench and the bar. Complimentary parking in the Yacht Club's adjacent 60 car lot will be available.

Reservations are limited in number and have sold out the past few years. Payment must accompany each reservation in order for it to be confirmed. Tickets will be held at the door. Plan now to join us!

Paid reservations must be received by September 21, 2016.
